The ODU is the prescribed uniform for the Marine Centers, NOAA Ships and NOAA Small Boat assignments.

What's Next:

CPC will provide ordering information and the ODU directive to all active duty officers in the near future. CPC will provide training to members of BOTC-111 (June 07), REFTRA-63 (Oct 07), and to the Marine Centers and ships throughout the fall and winter. A training session will also be planned later in the year for those assigned in Silver Spring.
